

Notice of Labor Condition Application Filing

This organization has filed a Labor Condition Application with the United States Department of Labor, Employment and Training Administration, United States Employment Service. The Application is the requisite step for the organization to obtain authorization to employ an H-1B nonimmigrant temporary worker. This organization is seeking authorization for one (1) H-1B worker for the position of Student Financials Software Consultant (a.k.a. Higher Education Senior Consultant). The Student Financials Software Consultant position will be located 87 Buttercup Lane, South Grafton, Massachusetts 01560. The period of employment is from 05/01/2008 through 04/30/2011. The organization will consider both U.S. citizens and foreign workers who have obtained or who are able to obtain employment authorization.

Upon written request to Matthew Alex, President, Higher Technology Solutions, 1547 Old Forge Road, Bartlett, Illinois 60103, copies of the Labor Condition Application and supporting documents will be available for examination. Compensation for this position is provided at a range of \$48,506.00 to \$90,000.00, with eligibility for standard fringe benefits. This notice has been posted and will remain posted for ten (10) business days from the date the application was filed, as required by federal regulation.

Complaints alleging misrepresentation of material facts in the Labor Condition Application and/or failure to comply with the terms of the Labor Condition Application may be filed with any office of the Wage and Hour Division of the United States Department of Labor.
